MEMORANDUM FOR : Legislative Counsel
FROM : S. D. Breckinridge
SUBJECT : HSCA Windup

1. In recent discussions with the HSCA Chief Counsel and Staff Director, Mr. Blakey, he has indicated that the final report of the Committee will not be ready for our review until a period ranging vaguely from mid-January to early February. While that final review will have become less complicated than originally anticipated, by virtue of an informal exchange proposed by Mr. Blakey, the new schedule will have run us past the planned retention of certain personnel, myself among them.

AT 2. [] has been extended to 12 January, when he retires, because of his unique substantive knowledge of issues involved in the investigation. []
AT [] is retiring 12 January, as well. I am
AT retiring the same date. I really feel that we should be available for the final review of the report, with [] who is not retiring, being available to handle such remaining details as will remain. Because of the arithmetic of retirement at the end of the leave year the three of us will retire. I will be willing to work as needed, without compensation, but [] is not. I have not discussed it with []

3. When you have time to consider the matter I would like to discuss it with you.
